

Email Authorization Request

As part of our "Green Program", we are asking for your permission to communicate with you primarily by email. Using email has many benefits for all of us.

- Saves paper, which saves trees, which helps the environment.
- Makes communication between us instantaneous.
- Allows us to communicate with more than one person to stay inform.
- Helps you keep organized, keep track of your information on your computer.

If you have email, please authorize us to send you email instead of paper whenever possible. To get email, fill out this form and return it to Parr Law Group. We may still need to send correspondence home by paper, so please be sure to read carefully anything sent home to you.

Working together, we can help keep our home and office "green" and help protect our planet's environment.

Email Authorization Form

I hereby authorize Parr Law Group to send me documents via email in lieu of paper whenever possible. I understand that Parr Law Group will not share my email address with any other persons or agencies without my express, written consent. This authorization will remain in effect until I revoke this authorization in writing.
